FIG. 47B

FIG. 47B is a perspective view of the first and second components of the device. The first component (16) is shown with a series of protrusions (122) and a series of recesses (134). The second component (18) is shown with a series of recesses (134) and a series of protrusions (122). The components are shown in a partially assembled state, with the first component (16) being inserted into the second component (18). The first component (16) is labeled with 16, 122, 216, 70, and d_2 . The second component (18) is labeled with 18, 134, 20, and d_2 . A dashed line indicates the alignment of the components.
